

B&P buys lunch for AmeriCorps volunteers

CAC AmeriCorps volunteers were treated to lunch at Bel Air Grill last week by the Halls Business and Professional Association. Club president Donnie Ellis said the group was key to the community cleanup efforts. "We couldn't have done it without them," said Ellis. "They helped mulch the Tribute Trees in the median and weeded the area around the trees." The B&P also donated \$750 to the local AmeriCorps.
